Objet : New policy of refund of tickets

Dear Swift friends and registered people,

As you know, we had no option but to postpone this year's International Swift Conference #SwiftsSegovia2020 until May 2021.

We appreciate the very real difficulties that this has placed so many of you in, and we have been trying to work out ways to help.

While some registered have been able to recoup their travel and hotel expenses, others have not, and this is we do realise something of a tragedy for many of you.

For our part, we at our not-for-profit NGO ForoGeoBiosfera have now worked out a way to reimburse Delegates the Conference fees that we have collected. Our Conference committee was hoping to receive funding from various public donors, but as the event has been postponed those monies will not now be forthcoming.

However, even though we have already made certain expenditures, we have done the sums and have worked out that we can refund 90% of your Conference fee to you, if that would be helpful.

Alternatively, if you want to attend in May 2021, we can hold onto your fee, and in that event there will be no more to pay.

*If you would like to be refunded 90% of your Conference fee, please, send an e-mail **before May 1, 2020**, to: swiftsegovia2020@forogeobiosfera.org*

Please make sure that you supply the following information:

Full name

Contact E-mail

IBAN and BIC/SWIFT code of the bank account where you would like to be reimbursed

With our kindest regards, and looking forward very much to seeing you in 2021

Keep well!
